The Lorain Soil & Water Conservation District is sponsoring a pond management clinic! The presenter will be Chip Wendt. Chip has an A.A.S. in Aquaculture & Fisheries Science from Hocking College and a B.S. in Environmental Science/Watershed Conservation from Bowling Green University.

Key topics include:

- ◆ Fundamentals of pond maintenance
- ◆ Pond stocking
- ◆ Weed and algae control
- ◆ Fish life cycles
- ◆ Harvesting
- ◆ Water chemistry

There will also be a question and answer session. A portion of the clinic will be held outside so dress accordingly.

Please RSVP for the clinic by contacting the district office at 440-326-5800. Walk-ins will be accepted. There is a \$5.00 registration fee (**cash or check only**) payable the evening of the pond clinic. Pizza and drinks will be provided. Fish stocking orders can be placed at this time too!
